Dear Valued Supra Telecom Customers,

We are pleased to announce an asset purchase agreement between Supra Telecommunications Information Systems, Inc. ("Legacy Company") and Supra Telecommunications and Information Systems Acquisition Corp., a Cleartel Communications company ("New Supra"). Cleartel Communications is a national Competitive Local Exchange Carrier, headquartered in South Florida. New Supra is positioned to be "Florida's telephone company" servicing over 200,000 lines in Florida. Our mission is to provide exceptional value through superior customer support and advanced services. In the very near future, New Supra will announce plans for high speed broadband service from your home, VOIP applications, and a video solution for home users.

New Supra is expected to become your service provider on or about October 12, 2006. As of the transfer date, New Supra will automatically become your service provider for any services you currently receive from the Legacy Company, including local and long distance telephone service, unless you select another provider before September 12, 2006 (the "cutoff date"). **You need not do anything to continue service with the New Supra, the transfer will be transparent to all customers.** There will not be any charges associated with the transfer to New Supra. If you select another provider, you may incur additional charges. You always have the right to select another provider if you wish to do so or otherwise disconnect your services, subject to the terms of your contract(s) with the Legacy Company, if any. If you have a preferred carrier "freeze" on any of the services being transferred, the freeze will be lifted before the transfer. In order to reinstate a preferred carrier freeze, you must contact your local service provider (which would be New Supra if you receive local services from Legacy Company) after the transfer.

New Supra is excited to have the opportunity to provide you with dependable, affordable communications services. Payments, customer records, or deposits for services that were previously provided to the Legacy Company will remain the same with the New Supra. .

It's also important for you to know:

- The services you have paid for will not be impacted as a result of this agreement.
- Your existing rates and charges will not be changed as a result of this transaction.
- You will still pay for/renew your services in the same way you do today

It has been the pleasure of Supra Telecommunications Information Systems, Inc. to provide you with quality local and/or long distance services and we emphasize that you will be treated as a valued customer of New Supra. Until the actual transfer date, the Legacy Company will continue to be responsible for addressing all customer service and billing issues. If you have any questions about this notice or problems with your current service, please call Legacy Company at 1-877-499-1388. To ensure a seamless transition of service, please note that New Supra intends to keep that same number after the transition.

Sincerely,

Supra Telecommunications
